The 1942 "U"

Union High School

Burgettstown, Pa.

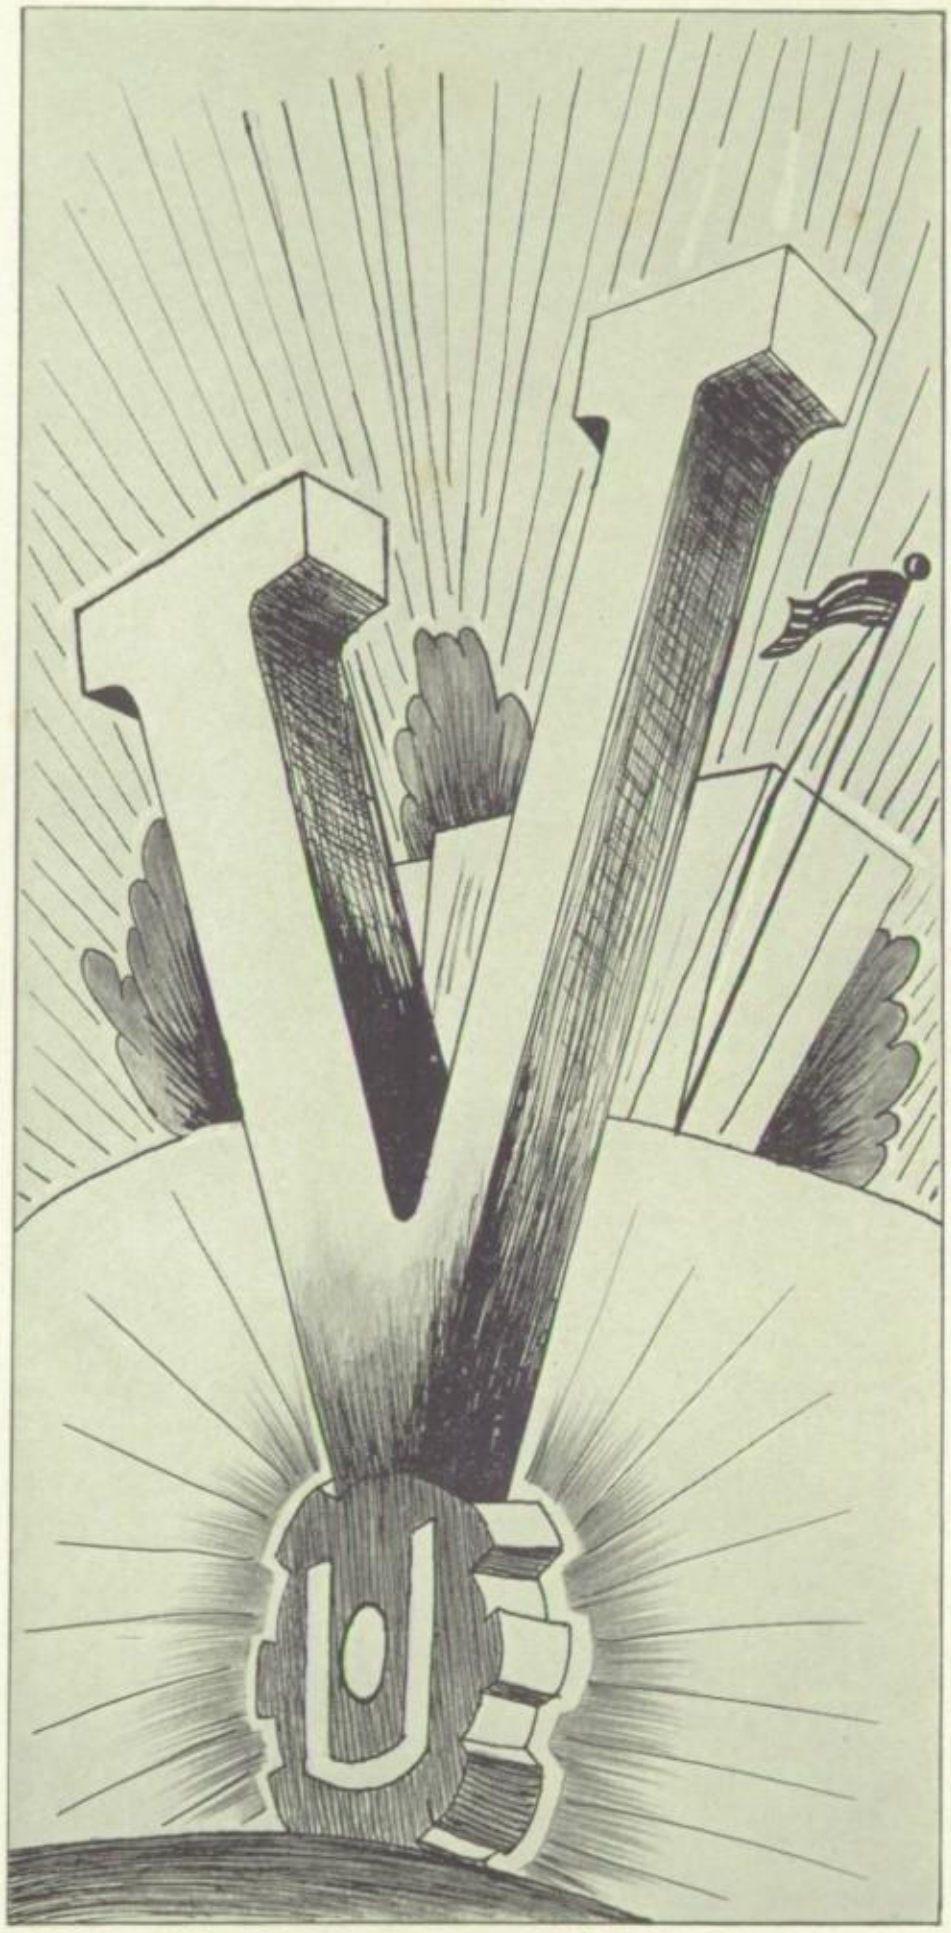
Foreword

As we who will graduate this year attempted to conceive some means by which we can remember old friends and organizations we decided to foster the idea of our predecessors, last years seniors, and create another annual. We have compiled memories and events of the Senior Years as well as descriptive material about our lower class friends.

The pictorial value of the book cannot be estimated. To recall old faces in the future it will be a source of constant pleasure. It is our earnest wish that all will cherish and hold this record forever.

ALMA MATER

Our Alma Mater
Towering over all
Urging us never to let our banner fall
Pledging our courage, our song shall ever be
Hail Alma Mater
Praise be unto thee.



DEDICATION

"In these times of national stress and strain, the Senior Class of 1942 dedicate their annual to "V" for Victory."

BOARD OF EDUCATION

SEATED LEFT TO RIGHT: Swanik, Kimberland, Harper, Sciamanna, McCalmont, Scott, Nairn, Atherton, Plate; STANDING: Marino, Nicksick; NOT PICTURED: Hanna.

Our Board of Education here at Union High School consists of representatives from Burgettstown Borough, and Smith Township. It is their duty to keep the school up to modern standards and to supply the school with necessary equipment. It is our privilege to say that they have done an excellent job along that line and we sincerely express appreciation for that effort.

THE STUDENT COUNCIL

The outstanding example of Union High School's belief in student government is the student council. The membership consists of the president and vice president of each home room and the president of each class. These members are selected at the start of the school term.

Under the advice and guidance of Miss Cruikshank and Mr. Miller the student council functioned to good advantage, organizing a hall patrol, enforcing many necessary rules, and sponsoring dances.

ATHLETIC COUNCIL

The Athletic Council is an organization that governs all athletic events of Union High. They meet at the end of each sport season to make financial reports, drawup budgets, approve schedules, athletic policies are discussed, and they must approve the purchase of letters and awards.

Seated left to right are: Miller, Gratchen, Canning, Sciamanna, Nairn, Tennyson, Scott, Welch and McCalmont. Not pictured, Clark.

SECRETARIES

The office secretaries, Mrs. Jean Smith and Miss Anita Sciamanna, are an important part of this school's administration . All day, even with many interruptions they greet both teachers and pupils with a smile, and are always willing to help anycne. Mrs. Smith, the bookkeeper is also the voice with a smile that answers the many phone calls. Miss Sciamanna's fingers are rapidly flying over the typewriter keys or she is busily mimeographing or dittoing work for the teachers and pupils. We appreciate their pleasant cooperation.

Athletic Council

Secretaries

IN MEMORIUM

Happy are the seniors for they are graduating and starting out into the world for themselves. These seniors do not forget however, one member of their class who never reached the crest of her ambition to graduate with the "Class of '42". We used to hear her gaily chatting in the halls, worrying over her lessons, wondering what to wear at the next party and many other items so characteristic of the modern school girl. With these memories so transfixed in our minds, we will never forget Mary Trosky, who was born on October 23, 1923, and passed on to a better world on January 31, 1942.

"Pausing
We remember
A life, whose calm soul
Looked to death
Not knowing fear;
Whose simple courage
Mocked our little whims;
Whose quiet purpose
Moved about our ways
Almost unseen———
As some cool, gentle wind
Brings rest
That lingers
After it has gone."——

Katherine Simpson

SENIORS

Class History of '42

In August of 1938 a group of confused Freshmen entered Union High School. This year we had no plans laid for doing big things but merely to become acquainted with each other and the school. We elected for class officers during our first year. President: William Sausser; Vice Persident: George Strongosky; Secretary: Louella Linn; Treasurer: Arthur Simpson. They helped plan for our first "get together", the annual Halloween Party, which was enjoyed by everyone. Our class this year was represented in the Hi-Y, Tri-Hi-Y, Student Council, and various other clubs in the school.

A little less confused, a little more confident, and with hopes for a better year, 254 students began the Sophomore year. We succeeded in chastising the incoming Freshmen to the best of our ability and then felt relieved in knowing that we at least were superior to somebody. John Dubich was elected President with Mildred Conrad, Vice President and Joe Clark, Secretary and Treasurer. We were represented this year in basketball by Stanley Navage, Bennie Gonzalez and Bob Gunn; in football by Marcus Sarracino, Clark, Zdbef and Pendracky in which each demonstrated his ability. Those of us who were successful academically became prepared for the title of "Upper Classmen" and said goodbye to an enjoyable Sophomore year.

The next year we entered Union High as Juniors. We had a much more important feeling than ever. We elected as our officers President, William Sausser; Vice President, Joe Clark; Secretary and Treasurer, Virginia Reed. Our Junior party this year proved to be one of the most successful we had ever had. Our next important event was choosing our class rings. The Balfour Company was our choice. The important day of measuring arrived, and then it seemed endless days of waiting for the rings. The last event of this year was the Junior Prom held May 9, in the setting of an ice palace.

August 1941, the students who had made the grade for the last three years came back for our final year. For the third term, we selected William Sausser as President of our class. Other officers were Vice President, Joe Clark; Secretary, Virginia Reed; Treasurer, Dallas Adams. Our senior play was "Foot Loose" directed by Miss Cruikshank. Then came our senior pictures. For several days the seniors were dressed in their very best. February 16, we held our senior party. Music was furnished by Tay Voye. The Educational Supply Company was selected to furnish us with invitations. Our annual this year proved to be bigger and better than ever. The Hi-Lite, our school paper, was published and printed by the students. It has proved to be one of the most successful school papers we have ever had. Toward the end of the year the Seniors found themselves swamped with plans for commencement, and with thoughts of bidding farewell to their Alma Mater.

Juniors

JUNIOR CLASS

One of the most active Junior Classes to enter Union High School was this year's group. They engaged in numerous and varied activities. At the start of the year, they chose as officers: President, William Sachan; Vice President, Richard George; Secretary, Pete Maropis; Treasurer, Saturno Prendes.

Getting into the swing of things as upper classmen was easy for these Juniors and many of them started out their Junior year in a blaze of glory on the football girdiron. Yandrich, Gratchen, Darras and McGraw, being stars Later in the year the class made the contribution of a ditto machine with which to print the Hi-Lite, and thus rejuvenated the school paper.

Josten rings were chosen in February thus exciting a great deal of interest. Plans for the Junior play, "Little Women" were made, as well as for the Prom and Junior party.

Sophomores

SOPHOMORE CLASS

At the beginning of the year the Sophomores got revenge on the Freshmen, recovered from its Freshmen debacle, and started on its second grind. Patsy Yanni, Attilio Stura, Pete Gobleck, and Albert Sprando were elected as President, Vice President, Secretary, and Treasurer respectively.

On the Sophomore football team Patsy Yanni sparked the attack, and the team even engaged the Midway varsity. Bill Diamond, Tilio Stura, and several others were highly instrumental in many of the "B squad" basketball victories.

The club activities of Sophomores are limited principally to the Hi-Y and Biology clubs for the boys and the Tri-Hi-Y, Home Economics and Biology clubs for the girls. Many of the class members were initiated into the various organizations. The Biology Club delved into many scientific investigations, and the girls were helpful in organizing the new Home Ec. Clubs.

The Sophomore year, after many varying experiences, some good, some bad, at last came to an end; and the Sophomores of '42 are looking forward to a still better year as Juniors when they will rate as upper-classmen.

Freshmen

FRESHMEN CLASS

The Freshmen Class began its year as many, many Freshmen classes have before them. They were subject to many injustices, taunts, and hazings, but managed to come through and begin their High School life in excellent fashion. Although not very well acquainted as yet, they selected as their class officers: President, George Maropis; Vice President, Robert Skinner; Secretary, Rita Panconi; and Treasurer, Josephine Goldbach.

The Freshmen boys came out in large numbers to try out for the football team, and in future years Union will probably have an excellent football team. Many others were stars on the "B squad" basketball team. Some of the members were John Melton, James Reed, and Joe Fernandez.

The club organizations available to the Freshmen were the Tri-Hi-Y, Hi-Y, and Junior Home Economics. A few of the Freshmen were enrolled as members of these clubs. The Freshmen are looking forward to some good times and hard work in the next three years.

ACTIVITIES

THE "U" STAFF

This year's annual staff tried to improve on the "U" and to profit by last years experiences. All of the staff gained useful information and practice by mounting pictures and realizing the expense and magnitude of the work invclved in such an enterprize.

HI-LITE STAFF

The senior Hi-Lite staff to be graduated this year weathered the storms of many journalistic troubles. Two editions of The Hi-Lite, unsurpassed for appearance and contents were printed but the expense was toc great and further publication was suspended. This year the staff took up publication once more with the use of a ditto machine purchased by the Juniors, and the venture was successful financially.

TRI-HI-Y

The Tri-Hi-Y is a sister organization to the Hi-Y. The club was organized several years ago and has since grown to be one of the leading organizations of the school. Because of the increasing membership the original club was divided into two sections: Alpha and Beta. The Alpha consists of Senior and Junior girls; the Beta, Sophomore and Freshmen girls.

The purpose is "to create, maintain and extend throughout the school and community, high standards of Christian character." The Tri-Hi-Y is a character building organization.

Members of the club entertained many under privileged children, and distributed baskets at Christmas time to the needy. They have also volunteered for Red Cross work. The club has held parties, dances, sold football and basketball emblems and pins. The annual Mother and Daughter banquet is their outstanding social event of the year.

LIBRARY CLUB

The Library Club is composed of Senior and Junior girls who are interested in Library work . The girls work one period each day at the charging desk. They assist students in research work by aiding them in finding the desired books. The club sells the High School Book League books. Fines collected from overdue books are spent for the purchase of the newer books which are being published. The club selects these books. Faculty teas were held by the club.

HI-Y

The most active boys' club of Union High School is the Hi-Y. It holds numerous dances, parties, and roller skating meets. Each year the Hi-Y donates some useful article to the schcol which is purchased by money made from these social activities.

An excellent basketball team was organized this year and it compiled an enviable record playing against local teams and other Hi-Y organizations. Bill Sausser and Bob Purdy were co-basketball chairmen.

FRENCH CLUB

The French Club is organized within the French II classes. Conducting meetings in the French language helps the students to converse more freely in the language They sing songs in French and play games. Special programs are planned once a month. Miss Bella, having spent some time studying in France, makes the Club meetings and classes one of the most popular in school.

BIOLOGY CLUB

In an attempt to enlarge their scientific knowledge, many of the Sophomores have enrolled in the Biology Club. It is the purpose of the Club to aid in the advancement of biological science.

This year, plans have been made to build various models for exhibition. Many hikes will be taken in the spring.

THE STAMPING GROUND

The club was organized in 1941. Since that time it has been a progressive club. The members exchange stamps, prepare topics for club meetings and bring in information concerning stamps and collectors. This is one of the most interesting hobbies high school pupils have and the club provides local collectors opportunities to learn more of the art of stamp collecting.

COMMERCIAL CLUB

The Commercial Club was organized last year under the direction of Miss Kirshbaum and Miss Harper.

The purpose of the club is to further the knowledge of the members by having business men talk at the meetings, by having demonstrations of different business machines, by making visits to places of interest in business, and by giving a few programs that would be of value to the club members. The faculty members are: Miss Filipponi, Miss Nicksick and Miss Strong.

SENIOR HOME ECONOMICS CLUB

and

JUNIOR HOME ECONOMICS CLUB

The Home Economics Clubs were organized this year by Misses Kebe and Mellovick. The Senior group must all be second year students in Home Economics, while the Junior organization is for the Freshmen. The members are learning handicraft. The members must maintain at least a "C" average to keep their membership in the club. These are our youngest Clubs in the school, but they are already trying to build a program for the Club which will help their members to become good citizens and better home makers. Colors of the Club are red and white. The Club's flower is a red carnation.

G. A. A.

The Girl's Athletic Association was organized when the class of '42 were Freshmen. The girl's physical education instructor asked for volunteers to help her in the gym classes and to form a Leader's Club. So many girls wished to help that the idea was abandoned and the G. A. A. was founded.

The purpose of the G. A. A. is to promote good sportsmanship and better health for its members. The members hold an assembly each year. The proceeds of their annual assembly is used to buy new equipment for the gymnasium.

CAMERA CLUB

One of the newest clubs of Union High School is the Camera Club. Organized last year, they have since developed into quite a promising group . They are instructed in different types of photography and get some practice in the art of developing pictures. Slides of the New York World's Fair were viewed by the club and investigation into other things of photographic nature was conducted.

BAND

Probably the most active organization in school this year was the band. Playing at many home football games this year, at school assemblies which were numerous, and giving their own official concerts, they did their share in making the school a more interesting place.

Mr. McGregor, in addition to the regular band, organized a swing band which played at many of the home games. It was composed of a picked group of the regular organization and received the nickname of "McGregor's Wildcats" from the student body.

To the many seniors who are leaving the band this year we bid a sorrowful farewell, sincerely believing that your work in music at Union High School has brought some measure of satisfaction to you. Music is priceless, continue to practice it in some way after graduation.

CHEERLEADERS

These peppy cheerleaders, under the direction of Miss Virginia Forsythe, inspired our athletic teams to put forth greater efforts.

Joining the senior cheerleaders, who had been leading cheers for four years, are the eight underclassmen, Hazel Cunningham, Jean Foster, Thelma Wagner, Maxine Beard, Betty Babyak, Theresa Seyda, George Pugh and Joe Gonzales.

With their new cheers, new uniforms, and megaphones, the leaders helped direct the interest and enthusiasm of the student body and football players in the difficult fight for our championship in Class A Football in 1942.

FOOTBALL

Starting out strong and finishing stronger, this years' varsity football team had a good season and climaxed it by winning the W. P. I. A. L. Class A Championship. Head Coach Canning and his assistant, Mr. Mervosh, built up a very good team in their fourth year at Union. The biggest game of the season was the convincing 34-7 win over Crafton High that won the Class A crown. The lettermen were Co-Captains, Joe Clark and John Sarracino; Stanley Navage, Joe Gratchen, John Pendracky, Jake Yandrich, Frank Gobleck, George Marcus, Elmer Saver, John Raffa, Louis Darras, John Szybisty, George Sherockman, Pat McGraw, Steve Babyak, Stanley Zdbef. The student managers that received letters were Senior Manager Simpson and Junior Manager Boles. All the boys that were on the varsity squad received gold footballs from the school for winning the championship.

This year Union had a Sophomore team coached by Mr. Hall and a Frosh team coached by Mr. Hemphill. These boys got a lot of good experience and will be ready for the varsity in the near future.

BASKETBALL

The Union High Basketeers had a very successful season during 1941-42 in winning 19 games while losing only 5 during the regular season. This year Union was in Section 10 of Class A. They did very well in their new Section by winning it easily. For the second successive year they played at the Pitt Stadium in the eliminations. Although they put up a good fight against Coraopolis they were defeated. The lettermen are: Captain Stan Navage, George Marcus, George Strongosky, Bennie Gonzalez, Bob Gunn, Pete Maropis, Joe Gratchen and Saturno Prendes.
